

STRATEGIC PLAN 2025-2027

Our strategic plan provides a path forward illuminated by six pillars, empowering us to advance our mission while living our values.

Lovingkindness

Seek opportunities to express compassion to members of our congregation as well as our local and global communities.

Spirituality

Honor the role of tradition in our evolving world through worship, education, celebration, music, and life-cycle events.

Connection

Cultivate an environment where people in any phase of life's journey can find belonging while building meaningful relationships.

Engagement

Encourage one another to find purpose through Torah (lifelong learning), Tzedakah (righteous giving) and Tikkun Olam (repairing the world).

Philanthropy & Sustainability

Ensure our synagogue is positioned to thrive for generations by prioritizing leadership development, increased revenue, and long-term financial viability.

Operational Excellence & Reputation

Strive for excellence in every aspect of Temple life and empower our professionals and congregants to communicate these positive outcomes to our community.

*Asot mishpat, v'ahavath chesed, v'hatzneah lechet im Elohecha
Do justly, love compassion, and walk humbly with your God (Micah 6:8)*
