Dear Rachel Bessner:

We are pleased to inform you that The Port Authority of NY & NJ has certified your business as a Disadvantaged Business Enterprise (DBE) on behalf of the New Jersey and New York State Unified Certification Program (NJ/NYS UCP) partners.

Your certification will remain in effect, provided your business continues to meet the eligibility criteria set forth in U.S. Department of Transportation, Code of Federal Regulations Title 49 Part 26. Annually, you must submit a signed and notarized "DBE No Change Affidavit" with supporting documentation. It is your responsibility to notify this office in writing within 30 days of any changes. Failure to do so may result in decertification of your business.

The following table lists the North American Industry Classification System (NAICS) codes and descriptions that have been assigned to your business in accordance with the services it renders.

NAICS CODE	DESCRIPTION
423610	Electrical Apparatus and Equipment, Wiring Supplies, and Related Equipment Merchant Wholesalers
444180	Electrical Supply Store

We have also added your firm to the NJ and NYS UCP directories, which can be accessed at <https://njucp.dbesystem.com/Default.asp> and <https://nysucp.newnycontracts.com/>, respectively.
